A FUTURISTIC TOWNSHIP TAKING SHAPE

The business house of Gaur is an entity today that carries immense weightage in the spheres of not only real estate, but also in education, retail, hospitality and more. We began our journey in the year 1995 and today, 25 years later, this journey of humble beginnings has reached staggering new heights. The Gaur Group and the driving forces behind it are the proud pioneers of 50+ projects delivered (commercial and residential) totalling almost 5.1 million sq. mtr. We have delivered 50000+ property units out of which almost 30000+ have been delivered in just the last 5 years.

In today's fast-paced world, time is the greatest luxury. Keeping this thought as our focal point, we created Gaur Yamuna City - which is a complete integrated city where residences and offices, entertainment and leisure, work and home are at one place, leaving ample time for you to build a happier life.

Spread over 101 Hectares (250 acres) of land and providing homes to thousands of families, Gaur Yamuna City will be one of the largest integrated townships in the country. Its strongest suit however, is the location it stands on. Yamuna Expressway is undergoing a rapid transformation, thanks to the upcoming Noida International Airport at Jewar which promises to be the biggest airport in India. The recently opened Eastern Peripheral Expressway is proving to be a boon for NCR region and distances have really shortened between cities. Added to that are new and upcoming centers for business, all of which have made Yamuna Expressway the most prime parcel of real estate in the country.

Gaur Yamuna City is close to my heart and will surely enchant you with its futuristic charm. We at Gaur, believe in the policy of considering our customers to be our brand ambassadors. Being in a position where I am responsible to deliver people's dream abodes, I relentlessly make sure along with my team to stand up to all your expectations. As a home buyer, we assure you a very enriching and fruitful investment with Gaur.

Jewar airport: Govt, Zurich officials meet

Shabah@timesgroup.com

Noida: Representatives of Zurich AG, the agency likely to build the Jewar Airport, met government officials in Lucknow on Tuesday to discuss the master plan in detail. The highest bidder for the airport project, senior executives of Zurich had flown in from Switzerland for the meeting. The meeting, which began in the afternoon at Lok Bhawan, continued till late into the evening. The principal secretary to the chief minister, SP Goyal, also attended the session. "The two sides sat together to understand each other's expectations and takeaways from the project. The background of aviation industry players, who have been operating in the country, was also discussed," said an official who attended the meet. Discussions were also held on the design of runway and airfield pavement. How Zurich AG is planning to handle maintenance and overhaul of aircraft was another topic that was discussed. They also took stock of infrastructure projects that would boost connectivity to the airport from nearby districts. Apart from the four senior Zurich representatives, those who attended the meet included officials of the Yamuna Expressway Industrial Development Authority, executives of private consultant Pricewaterhouse Coopers and members of the chief minister's office.

Success, Found on Trust

Founded in the year 1995, we have established ourselves as one of the leading real estate developers in India. Ever since our inception, the company has steadily become a byword for excellence in engineering, innovation and business ethos. Today, 25 years later, this journey of humble beginnings has reached staggering new heights.

Gaurs group and the driving forces behind it are the proud pioneers of 50+ projects delivered (commercial and residential) totaling to almost 5.1 million square meters and have delivered 50000+ property units on time. Today, our group has a plethora of prestigious projects to our name in residential, commercial and retail verticals in the areas of Delhi NCR, U.P and beyond. It only goes to show that, for us and our team, sky is the only limit.
